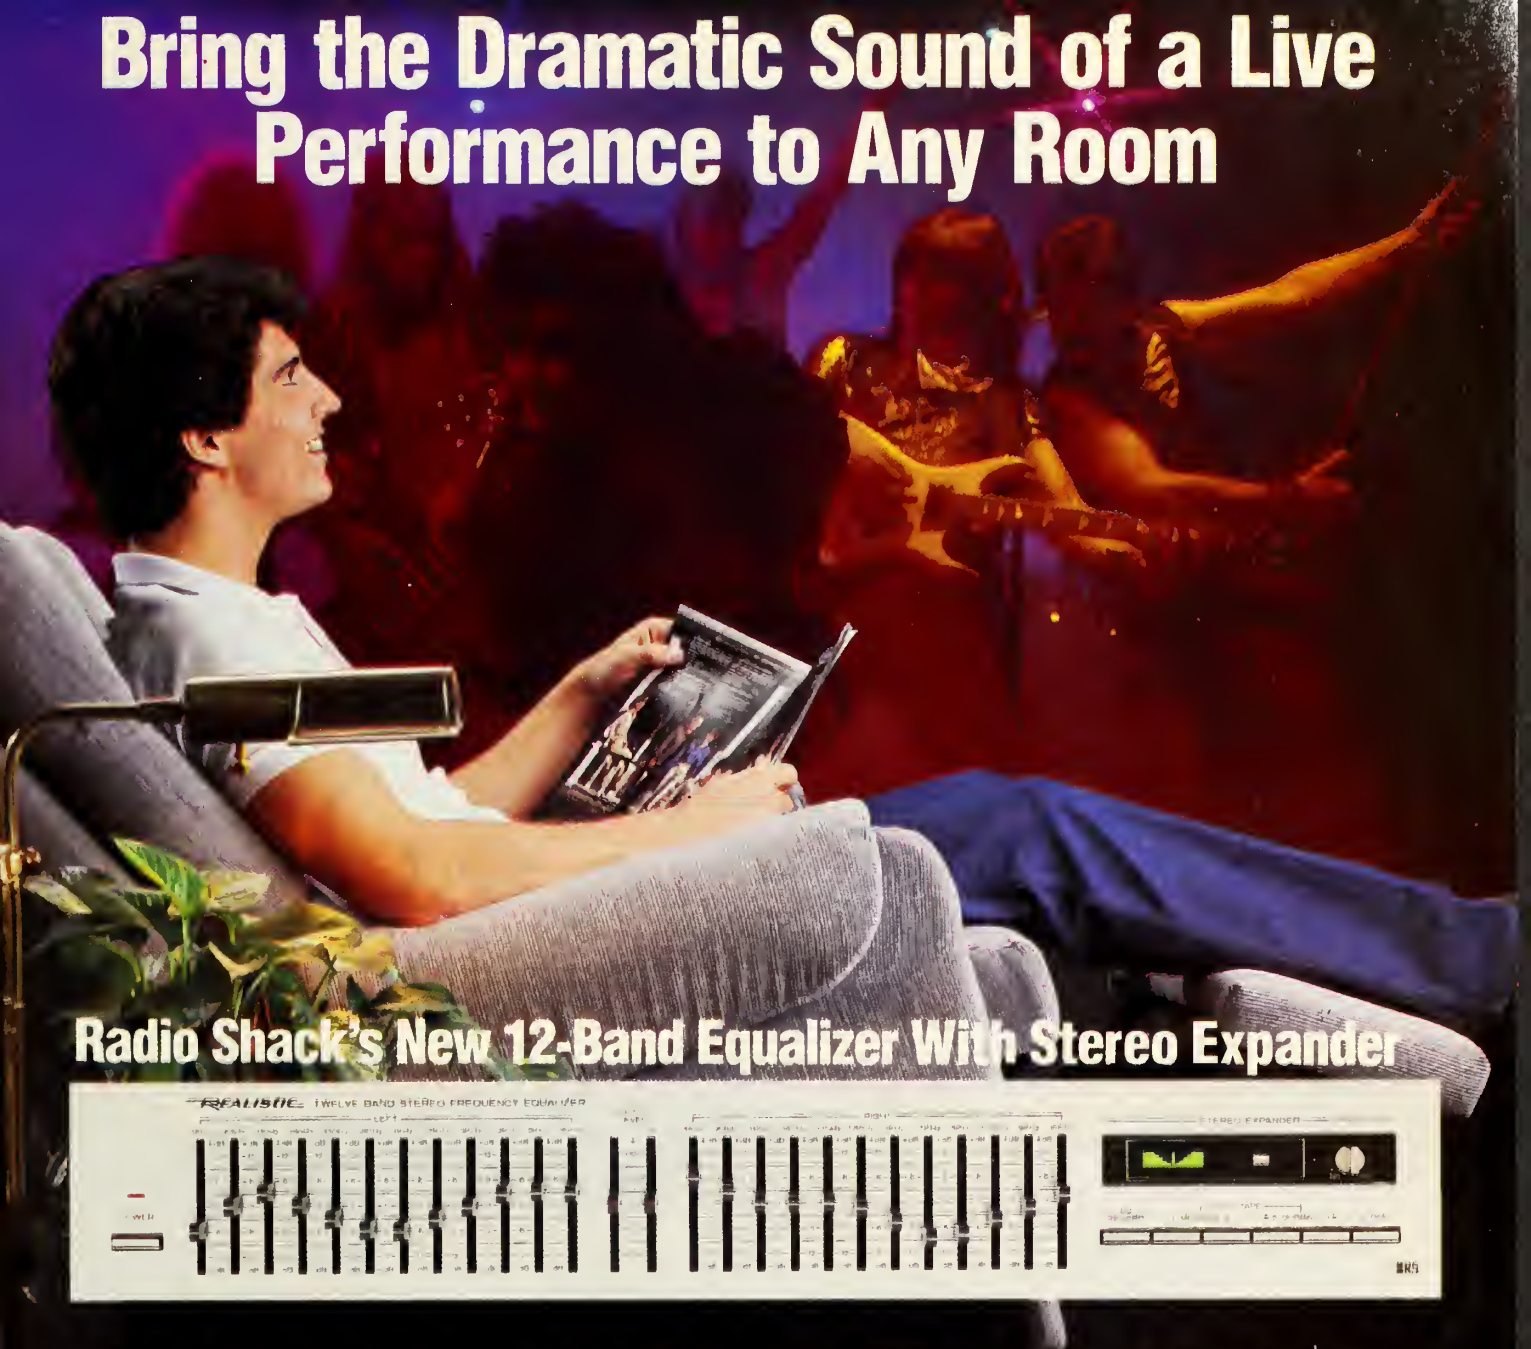
# Bring the Dramatic Sound of a Live Performance to Any Room



## Radio Shack's New 12-Band Equalizer With Stereo Expander

Unleash the potential of your stereo system with our Realistic® graphic equalizer. Thanks to its built-in Stereo Expander, you'll hear sound that's remarkably similar to a live concert.

The Stereo Expander dramatically alters the apparent location of sound. Normally, what you hear is concentrated between the two speakers. The expander creates the convincing illusion that sounds are coming from outside this area. The result is a "live" effect comparable to what you hear in a theater or concert hall. But that's only the beginning . . .

It's a fact that furniture, carpet, and the size and shape of your room can affect frequency response. But with twenty-four narrowband tone controls, the acoustic distortion present in most rooms is practically eliminated. They let you add "punch" to certain instruments or vocals, and adjust frequency response up to 12 dB from 36-16,000 Hz. You'll enjoy total command over your listening environment.

You also can make your own custom-equalized recordings. The built-in dual-tape control center lets you record, monitor and dub equalized sound from tape deck to tape deck.

Come in today for an exciting hands-on demonstration. And bring your Radio Shack/ CitiLine or other credit card. Only $119.95.

If your plans for the future include college, the Army Reserve can fit nicely into your plans.

You'll get hands-on training in one of hundreds of potential careers, from communications to electronics to engineering.

You'll learn from experienced, first-rate instructors. And you'll hone your skill by working on a Saturday and Sunday each month at a Reserve center near your college.

The money you earn (an average of $1,500 a year) will help with some of your college expenses. And besides your regular salary, you could also qualify for an additional $4,000 in student aid and a student loan repayment program.

Find out more about the Army Reserve. If you're headed for college, it's a step in the right direction. See your local Army Reserve recruiter today. Or call toll free 1-800-USA-ARMY.

**ARMY RESERVE.**
**BE ALL YOU CAN BE.**

# Keep up with the Jones.

Take the scooter. It's sleek. It's quick. It's easy. It starts with the push of a button. And there's never any shifting. One more thing. Share your toys. Pick a scooter that carries two with ease.* Or one with Grace.

**HONDA** *Scooters*

# HOW TO REGISTER

The period from Monday, April 22nd through Friday, April 26th has been set aside for registration for Fall 1985. Please read the following instructions carefully so that you will understand how to register for next semester.

Where To Obtain Your Registration Forms

1. CAS declared majors at major departments.
2. CAS undeclared majors will have forms mailed with instructions.
3. CPCS registration packets will be mailed.
4. Management majors at McCormack Hall, 3rd floor, Room 415.
5. Nursing majors at Science Building, 3rd floor, Room 012.
6. Physical Education majors at Science Building, 3rd floor, Room 268.
7. Education majors at Science Building, 3rd floor.

FORMS MUST BE RETURNED TO THE REGISTRAR'S OFFICE BY APRIL 26, 1985.

- CPCS students should return their forms to the Office of Academic Affairs, room 406A, Park Square.
- Continuing students who do not submit pre-registration forms by April 26 1985 will be assessed a $25 late registration fee.

Registration Forms

1. Each student is given a form on which to register. This form allows the option of registering for nine courses or seven courses with two alternates.
2. **Free Time Request Form** — These forms are used so that students may indicate particular hours during which they do **not** wish classes to be scheduled. To insure that the information can be interpreted, it is essential that a #2 pencil be used to fill in the slots corresponding to the times and days of the week during which you do **not** want classes scheduled.

   Use of these forms do not enhance your chances of receiving a section that you request, they could in fact limit your ability to obtain a course because you will not be assigned to sections that meet at hours from which you have exempted yourself. Use of these forms could limit your chances of receiving a full schedule.
3. The registration form and time exemption form are read by machine. This means the markings must be completed carefully, i.e., no erasures, stray marks, folds, etc. A #2 pencil must be used.

Semester Schedule Booklets

The schedule booklet is the list of courses that will be offered in the Fall '85 semester. Your program for the next semester should be chosen from this booklet, along with the course addenda which is a list of changes made to the semester booklet (added sections, cancelled courses, etc.). Please do not select courses from the schedule booklet without checking the addendum as changes may have been made.

The University course listing is a complete listing of courses offered with descriptions. University requirements are also listed in this book.

STUDENTS WHO OWE FOR A PREVIOUS SEMESTER WILL NOT BE ALLOWED TO REGISTER FOR FUTURE COURSES UNTIL ALL FINANCIAL OBLIGATIONS HAVE BEEN CLEARED.

THESE BILLS MUST BE CLEARED BEFORE THE END OF THE ADD/DROP PERIOD. (SEPTEMBER 13, 1985) IF REGISTRATION IS TO BE PROCESSED FOR THE FALL 1985 SEMESTER. AFTER PAYING FOR A PREVIOUS SEMESTER STUDENTS MUST APPLY FOR READMISSION.

# HOW TO FILL OUT YOUR REGISTRATION FORMS

1. Be sure that all numbers are penciled neatly and completely. Double check to see that entries are accurate. If a number is incorrect or illegible or not blocked in totally, the entire transaction will be invalidated.
2. Use the 6 digit schedule number assigned to the specific section of the specific time you wish to take the course (see example 1 below).

| DEPT. | COURSE SECTION | SCHEDULE NUMBER | TITLE MEETING TIMES | BLDG. FLR. RM. | CR | INSTRUCTOR |
|---|---|---|---|---|---|---|
| P-H-I-L-O-S-O-P-H-Y | | | | | | EXAMPLE 1 |
| | | | INTRO PHILOSOPHY | | | |
| PHIL | 100 | | | | | |
| | 1 | 146301 | MWF 9:30 | 1-1-054 | | ANDIC |
| | 3 | 146327 | TUTH 11:00-12:15 | 1-1-054 | | FOSTER |
| | 7 | 146343 | MWF 10:30 | 1-1-054 | | ANDIC |

3. When registering for a course with 2 or more parts (lec., lab) be sure to include all parts or you will arbitrarily be assigned the missing portions (see example 2 below).

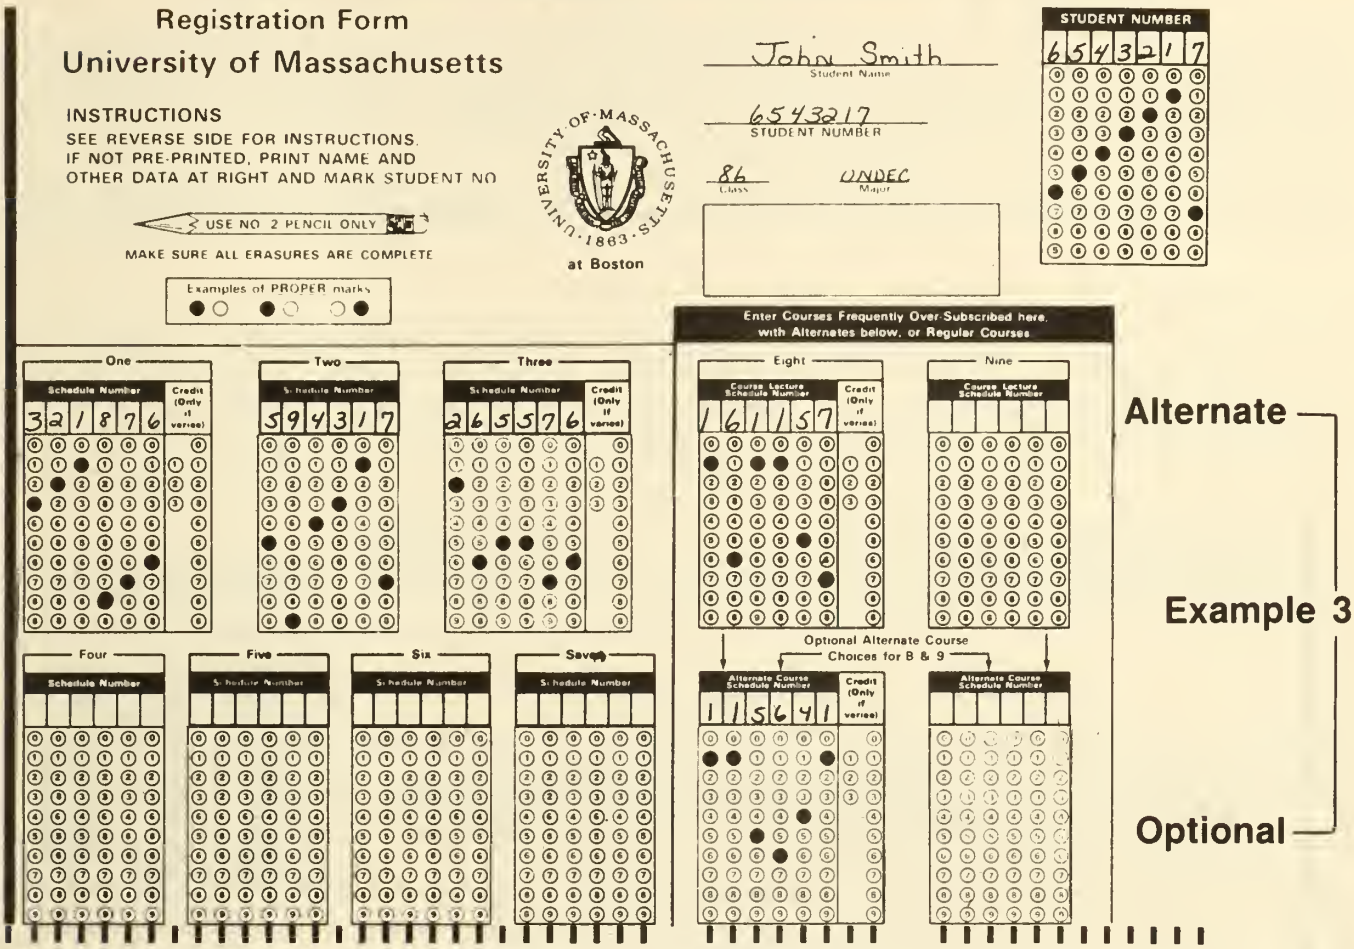
| DEPT. | COURSE SECTION | SCHEDULE NUMBER | TITLE MEETING TIMES | BLDG. FLR. RM. | CR | INSTRUCTOR |
|---|---|---|---|---|---|---|
| C-H-E-M-I-S-T-R-Y | | | | | | EXAMPLE 2 |
| CHEM | 241 | | | | | |
| LEC | 1 | 060096 | TU 9:30-12:30 | 1-1-054 | | GELB |
| LAB | 1 | 069119 | TU 9:30-12:30 | 1-1-054 | | GELB |

4. **Alternate Choice** — Some choices are listed with the notation 'Alternate choice advised'. This is used for courses which in the past have been consistently overenrolled. This does not mean you cannot request one of these courses, only that you would be well advised to consider making an alternate choice along with this request. It would also be helpful to use the 2 alternate choices whether or not it is specifically advised as their use enhances a student's possibility of obtaining courses. Alternates must be a different course — not a different section of the same course. For example: Alternate 1 will be considered only if course request 1 cannot be scheduled. Similarly, alternate 2 will be considered only if course request 2 cannot be scheduled. Alternates are not transferrable from one choice to another.

| DEPT. | COURSE SECTION | SCHEDULE NUMBER | TITLE MEETING TIMES | BLDG. FLR. RM. | CR | INSTRUCTOR |
|---|---|---|---|---|---|---|
| P-S-Y-C-H-O-L-O-G-Y | | | | | | EXAMPLE 3 |
| PSYCH | 245 | | | | | |
| | | NOTE | EDUCATIONAL PSYCH *Alternate choice advised* | | | |
| | 2 | 161157 | TUTH 11:00-12:15 | 2-1-608 | 03 | OSHERSON |
| | 4 | 161173 | MWF 11:30 | 2-1-608 | | |

Example 3 on following page. Illustrates how to register for alternate courses

# EXAMPLE OF A COMPLETED REGISTRATION FORM



| | DEPARTMENT | COURSE NUMBER | SECTION TYPE | SECTION NUMBER | SCHEDULE NUMBER | DESCRIPTIVE TITLE | CREDIT |

| | | | | | | | |
| | | | | | | | |

ADVISOR'S SIGNATURE (if required)

DO NOT WRITE BELOW THIS LINE

## INSTRUCTIONS

Using #2 pencil, fill in one block, (minimum) for each COURSE or Specific SECTION. Up to three blocks may be needed if specific sections of a course with lecture, lab and/or discussion portions are stipulated. Confine marks to designated positions. Do overlap marked positions.

Blocks eight and nine may be used where the Schedule Booklet indicated "alternate choice advised" because of frequent over-subscription. Otherwise, regular choices can be entered in eight and nine.

If one of these forms cannot describe the particular configuration of your course choices, a second form with additional information may be filed.

Carry completed form to the Appropriate Office.

# EXAMPLE OF A COMPLETED TIME EXEMPTION FORM

Please note that Mr. Smith does not want to be scheduled into any classes after 4:00 p.m. Monday thru Friday if the sections that he initially requested are filled. If you want to insure that you are not assigned times for courses that you will not accept, please take care in filling out the forms correctly.

---

The University of Massachusetts, Boston, Massachusetts 02125

## ACADEMIC SCHEDULE
## TIME EXEMPTION REQUEST

John Smith
PRINT STUDENT NAME ABOVE

TERM Fall YEAR 1985 DATE 9/6

Enter STUDENT NUMBER in the boxes below, then mark appropriate position below each digit.

| 6 | 5 | 4 | 3 | 2 | 1 | 7 |
|---|---|---|---|---|---|---|
| 0 | 0 | 0 | 0 | 0 | 0 | 0 |

# PHYSICAL EDUCATION
# FALL 1985

## Registration Procedures and Information

Registration forms for all Physical Education majors will be available in the Physical Education office (Science Building, 3rd floor) from 8:30 a.m. to 4:30 p.m., Monday through Friday during the Advance Registration, April 22–April 26, 1985.

## Advising

Faculty will be available in the Physical Education office to assist students with course selection during Advance Registration. Faculty will also be available for advising during the orientation dates in the summer. It is advisable to call and make an appointment with a faculty member (929-8598).

Students who have completed a semester and have declared a specialization in Physical Education should make an appointment to see their faculty advisor. Faculty advisor assignments may be obtained from the secretary.

**All Physical Education majors** must fill out a major registration card each semester. Each faculty advisor will have these cards or they may be picked up in the secretary's office. Please check to see that your name is on the department list of registered majors.

## Course Selection

Degree requirements are available in the Physical Education office. Physical Education majors are expected to complete the core curriculum as set forth by the College of Arts and Sciences and are required to demonstrate proficiency in writing as outlined by the College of Arts and Sciences. Further information about the Writing Proficiency Requirement can be obtained from CAS Academic Support Services, M/3/625.

Any student who is not completing a program in Physical Education may elect up to **four skill development courses** for credit during his/her college career.

Skill development courses may be listed in the schedule booklet as starting the first or second seven weeks. Courses starting the second seven weeks will commence October 22nd for Tuesday/Thursday classes and October 23rd for Monday/Wednesday/Friday classes.

## Declared Majors

Registration forms will be available within major departments and must be returned to the Office of Registration and Records by 5:00 p.m. on Friday, April 26.

# FALL 1985

## Registration Procedures and Information

Registration forms for all College of Management students will be available in the CM Office of Student Services (020/3/415) from 8:30 a.m. to 7 p.m., Monday through Thursday and from 8:30 a.m. to 5 p.m. on Friday during Advance Registration, April 22–26, 1985. Completed registration forms must be returned to the Office of the Registrar by 5:00 p.m. on Friday, April 26.

A full-time registration for CM students is a maximum of five courses. Registration for more than 15 credits requires written permission of the CM Director of Student Services. Normally such permission is given only when a student's cumulative grade point average is 3.0 or above.

## Advising

College advisors, as well as peer advisors, will be available in the CM Office of Student Services during the hours listed above to assist the following students with course selection:

—students with less than 60 credits completed
—students who have not declared a concentration

Students who have successfully completed a minimum of 60 credits and who have declared a concentration are encouraged to make an appointment to see their faculty advisors. Faculty advisor assignments are posted in the CM Student Services area each semester. All CM students should also see a college advisor in the Office of Student Services several times during their college career to officially update their program plan.

## Course Selection

Degree requirements are available in the CM Office of Student Services. Students in the College of Management are expected to complete general education requirements as well as other 100 and 200 level required course work during the first two years of study. All 300 and 400 level CM courses, including Management Core and Concentration requirements, may only be taken after the student attains junior or senior standing.

## Incomplete Courses

Students who have received an incomplete grade in a course through a prior arrangement with an instructor must go to the original instructor, or in his/her absence to the Department Chair, to make arrangements to complete the course. **Do not reregister for the course.**

## Pass/Fail Regulations

Students in the College of Management may take courses on a pass/fail basis in accordance with university policy, with the following restrictions: required courses in general education, the management foundation, management core and concentration may **not** be taken pass/fail.

## Non-Management Students in CM Courses

Non-management students may only register for AF 210, Financial Accounting, and AF 211, Managerial Accounting. With very few exceptions, which require prior written approval from the CM Dean's Office, registration in all other College of Management courses is closed to non-management students. Exceptions to enroll in a particular course(s) require a written request to the CM Dean's Office accompanied by official transcripts of all prior college level coursework.

# COLLEGE OF ARTS AND SCIENCES

Advance Registration Information

Undeclared Majors

All students in the college who do not have declared majors will receive forms in the mail. Students may come for individual advising according to the schedule listed below for April 22-26. All registration forms must be returned to the CAS Advising area by 4:00 p.m. on April 26th. The Office of Registration and Records will not accept registration forms from undeclared majors in the College of Arts and Sciences.

Declared Majors

Registration forms will be available within major departments and must be returned to the Office of Registration and Records by 5:00 p.m. on Friday, April 26th.

# COLLEGE OF ARTS AND SCIENCES COURSES LOAD POLICY

Students may enroll for no more than FIVE (5) courses. After the first semester, however, students may take ONE (1) additional course under the following conditions:

(A) The student's overall grade point average is 3.0 (or above) or the grade point average for the previous full-time semester is 3.5 (or above).

AND

(B) Written permission is secured from the Associate/Assistant Dean for Academic Studies.

# INCOMPLETE POLICY

The grade incomplete (INC) is reported only where a portion of the assigned or required class work, or the final examination, has not been completed because of serious illness, extreme personal circumstances, or scholarly reasons at the request of the instructor. If the student's record is such that s/he would fail the course regardless of the result of the missing work s/he fails.

Permission of the instructor must be obtained and the **Form for Grade Incomplete** must be completed. These forms can be obtained from the appropriate Departmental offices.

A student receiving the grade of "incomplete" is allowed one full year in which to complete the course. The new grade must be submitted to the Registrar's Office by the grading deadline for that semester, i.e., by the end of the **next fall** semester for fall incompletes; by the end of the **next spring** semester for spring incompletes. The grade for any course not completed by this deadline will be converted to the grade of "F" and the course cannot be completed.

N/A grade and class attendance

The N/A grade signifies that a student who has registered for a course and not dropped it or withdrawn from it is **not in attendance.** The grade may be awarded to students early in the Add/Drop period. Students whose names appear on a course roster may be dropped from the course and added to the end of the waiting list at the end of the second class session if they have not attended either class or have not communicated their intention of attending the class to the instructor or the department chair in writing. In the case of a class that meets only once a week, failure to attend or to communicate the intention to attend either to the instructor or department chair by the beginning of the second meeting will result in the student's name being dropped from the roster and placed at the end of the waiting list. Students who receive the grade of N/A and who do not drop the course during the add/drop period are liable for the course tuition.

# IMPORTANT NOTICE FOR FALL '85 SEMESTER

Registration for all students will be held from April 22nd – April 26th (one week only).

All continuing degree students must register during this period or they will be assessed a $25.00 late registration fee.

# NOTICE

C.A.S. Writing Proficiency Requirement

All CAS students who entered as freshmen in the Fall of 1978 or thereafter and all students who entered as transfers in the Spring of 1979 or thereafter must meet a writing proficiency requirement. All these students must pass a writing proficiency exam or submit a satisfactory portfolio. Students must complete this requirement prior to earning 60 credits; students who transfer 60 or more credits must meet the requirement no later than the beginning of their second semester in residence. For students who do not meet this requirement registration for courses will be invalid.

For more information about the CAS Writing Proficiency Examination and Core requirements see the following pages. If you have any questions contact the Office of Academic Support and Advising (M/3/625, ext. 8220).

Advising During Registration For CAS Students

Students who are ready to declare a major but have not yet done so must pick up Declaration Cards at the Registrar's Office. An advisor will be assigned by the major department.

All CAS students must plan their schedules and receive written approval of the schedule from a faculty advisor.

Students who have not declared majors will receive materials in the mail and will return their registration forms directly to the Office of Academic Support and Advising, not the Registrar's Office.

# THE WRITING PROFICIENCY REQUIREMENTS

Part of the Core curriculum requirement is the demonstration of proficiency in writing. This must be done by the beginning of the junior year (60 credits). The requirement holds for all students who entered CAS as freshmen in September, 1978 or thereafter, or for transfer students who entered CAS in January, 1979 or thereafter.

Proficiency may be demonstrated either by passing a special examination or submission of a successful portfolio.

The Writing Proficiency Examination

The examination is given four times a year. Dates are posted in the Mass Media and in the Office of Academic Support and Advising (M/3/625). A student may sign up a month in advance of the schedule date, and will receive the reading materials upon which the examination will be based. In order to pass the examination, the student must write an acceptable essay based on a question designed to elicit evidence of thorough understanding of the material read, as well as the ability to synthesize the material, draw inferences, and construct a well-organized response in good English.

**Note** that the Writing Proficiency Examination **is not the same as the English Placement Test** which all students take upon entrance to the College.

The Portfolio

The portfolio offers an alternative method of demonstrating writing proficiency. It may be submitted at any of the scheduled examination times. It consists of four papers, each at least five typewritten pages in length. Three of these are expository papers, written for courses, and based upon reading materials. The instructor's assignment and affirmation of originality must be included in each case. The fourth paper is a new one, written on a topic and a series of readings distributed by the Office of Academic Support and Advising.

Students who have not satisfied the writing proficiency requirement by the beginning of the junior year will have curtailed schedules until the requirement has been satisfied. Complete details of the regulations are available in the Office of Academic Support and Advising.

# MANAGEMENT MINOR FOR CAS STUDENTS

Beginning in Fall 1985 the College will sponsor a minor in management in collaboration with the College of Management. Prerequisites include Econ E101, Econ E102, Math D110, Statistics, the completion of 45 credits, a grade point average of at least 2.75 and completion of prerequisite courses with a B– or better. More information and application forms are available in the CAS Office of Academic Support and Advising. Application Deadline: April 30, 1985.

# COLLEGE OF ARTS AND SCIENCES CORE CURRICULUM (Revised)

Students who entered the College of Arts and Sciences prior to Fall 1979 may fulfil the Core I or Core II requirements. For specific information, contact the College's Office of Academic Support and Advising.

## THE CORE CURRICULUM

The CAS senate has established a Core curriculum that will constitute approximately one third of the student's total academic program and complement the student's concentration in one field or discipline of study with a general, coherent exposure or introduction to the several areas and disciplines into which liberal learning is organized.

Liberal Learning—the kind of learning that broadens awareness, deepens understanding, poses alternatives, and informs vital decisions—may be divided into seven broad categories, five of which are designated as Core areas and two of which are designated as Core disciplines. Categories designated as areas include the following: I. Historical and Cultural studies concern the reconstruction and interpretation of the human past and seek to understand both literate and non-literate cultures. II. Philosophical and Humanistic studies focus on the analysis of concepts and values, social, ethical, religious, and cognitive, and interpret the world through the critical application of such concepts and values to experience. III. Social and Behavioral Sciences—such as anthropology, economics, psychology, politics, and sociology—analyze the world in terms of structures and processes of behavior, of social interaction and institutions. IV. Natural Sciences seek an experimental understanding and application of the laws that explain natural phenomena, and approach the human world through a study of its natural elements, structures and processes. V. The Arts approach the world through an awareness and use of forms of creative expression such as music, drama, literature, paintings, sculpture and architecture. The two Core disciplines are foreign languages and mathematic and computer languages. VI. Foreign Languages provide an understanding of human thought, feeling and culture through a study of the structures, meaning, functions, and development of speech; the study of a language not one's own improves mastery of one's own language and contributes eventually to the understanding of another culture. VII. Mathematics and Computer Languages exhibit self-enclosed symbolic systems whose analytic pleasures and practical uses extend our sense of the nature and processes of human thought and the manageability of reality. All seven areas are components of a liberal education. One is not liberally educated without a basic sense of what they are, how they work, and how they may relate to each other.

## CORE CURRICULUM REQUIREMENTS
### (Students Matriculated Fall 1979—Spring 1985)

The College of Arts and Sciences has revised the Core Curriculum, and these revisions will be in place for Fall Semester 1985. The revised requirements will not apply to any student admitted and matriculated prior to the beginning of the Fall 1985 term. Students admitted to and matriculated in the College between Fall 1979 and Spring 1985 are still required to take 12 courses in six or seven core areas, up to three courses in any one area, otherwise no more than two, and at least three core courses at the intermediate (200) level.

**N.B. There are two changes that affect students in this category.** Previously all core courses were identified with the prefix "C". Beginning in the Fall 1985 term, Core courses have three different prefixes: "C", "D", and "E". Students may use courses with any of these prefixes to complete the core requirements, but must complete 5 "C" courses. The second change involves waivers; see Core Course listings, Math and Foreign Language.

The Requirements:

1. 1 Year of freshman writing (or gain a waiver by placement exam).
2. 12 Core courses selected from the following seven areas, in any one area, a student may count up to three courses, otherwise no more than two. Three of the Core courses must be at the intermediate level.

   Historical and Cultural Studies
   Philosophical and Humanistic Studies
   Social and Behavioral Sciences
   Natural Sciences
   The Arts
   Mathematics and Computer Languages
   Foreign Languages
   (students electing first-semester courses must complete two semesters in the same language.)

   Any of the following patterns will satisfy the Core requirement:

| Seven Areas | Six Areas |
|---|---|
| 2,2,2,2,2,1,1 | 2,2,2,2,2,2 |
| 3,2,2,2,1,1,1 | 3,2,2,2,2,1 |

   A student who presents evidence through placement score or transcripts of intermediate proficiency in a foreign language or of work equivalent to college calculus (Math 140, 141) may waive the foreign language or mathematics courses. Students granted a waiver in foreign languages or mathematics need take only 10 Core courses in the remaining six areas, only 1 of which need be intermediate; students granted two waivers need take only 8 Core courses in the remaining five areas, none of which need to be intermediate.
3. All students must pass the writing proficiency examination or present a satisfactory portfolio of papers before the beginning of the junior year (60 credits).

## CORE CURRICULUM REQUIREMENTS
### (Students Entering In Fall 1985 And Thereafter)

For a statement of the core curriculum and the areas of instruction, see above.

Identification of Core Courses

All courses that satisfy core requirements are identified by a prefix "C", "D", or "E" in their course number. "C" courses offer instruction in writing critical thinking or computational skills within the areas of the Arts, Philosophical and Humanistic Studies, Historical and Cultural Studies and Social and Behavioral Studies. They feature small classes. "D" courses offer basic instruction in disciplinary skills in the Foreign Languages, Mathematics and Computer Languages and the Natural Sciences. "E" courses are electives in all core areas and typically introduce the academic fields within the core areas. C, D, and E courses are offered at both the introductory (100) and intermediate (200) levels.

In the sections of course descriptions appearing later in this catalog, offerings satisfying Core Curriculum requirements are listed first. (To learn which core courses are to be offered each semester, students should consult listings issued by the Office of Registration and Records prior to registration).

Core Requirements

- Twelve courses from no less than six of the seven core areas.
- In any one area a student may count up to three courses, otherwise no more than two.
- Of the twelve courses, students must take:
  (i) Three "C" courses at the 100 level.
  (ii) Two "C" courses at the 200 level.
  (iii) At least three "D" courses.
  (iv) The remainder as "E" courses or "D" courses.

  **Students may count no more than five required "C" courses toward the core requirement or toward graduation.** This restriction does not apply to students admitted before September, 1985. Those students have the option of satisfying the 12 course requirement with C, D, or E courses in the appropriate areas.
- At least three of the 12 core courses must be taken at the 200 level.

Waivers

Students who present evidence through placement scores or transcripts of intermediate proficiency (equivalent to the fourth semester of college work) in a foreign language or of work equivalent to

college calculus (Math 140, 141) may waive Foreign Language or Mathematics courses. Students granted a waiver in Foreign Language or Mathematics need take only 10 courses to complete the distribution requirement, students granted two waivers need take only 8 courses to meet the distribution requirements. One of the courses may be a course in Mathematics beyond Math 141 or in Foreign Language beyond the intermediate level.

## CORE WRITING REQUIREMENTS

### Freshman Writing

All students must take a year of Freshman Writing or gain a waiver by examination.

### Proficiency in Writing

Both the overall design of the Core Curriculum and the materials and methods of individual core courses assist students in acquiring proficiency in the skills of writing, of languages other than their own, of mathematics, of the arts, and of science. Foremost among these skills is the ability to use the English language effectively to present ideas clearly, correctly, and persuasively in prose. For this reason the College requires all students to demonstrate proficiency in writing by either passing a Proficiency Exam or submitting a satisfactory portfolio of papers before the beginning of the junior year. Further information about the Writing Proficiency requirement is available from the College's Office of Academic Support and Advising.

### Transfer Credits

Approved courses from other institutions offered by transfer students will be accepted for distribution requirements within the relevant core areas. If fewer than 12 courses are accepted for distribution at the time of transfer, the student must complete the remainder of the requirement within the college. Please consult the Director of Transfer Affairs in the Admissions Office for further information.

---

## CREDIT FOR ACADEMIC SKILLS COURSES

Students who need to take Academic Skills courses may take all five courses, but may only count 4 credits towards the Arts and Sciences requirement for a B.A. or a B.S. degree.

CORE AREA: MATH AND COMPUTER SCIENCE

NOTE: 1. All the following Math/Computer Science courses meet the core requirements: Math D105, D110, D124, D125, D130, D135, D136, D137, (elementary level) and Math D138, D140, D141, (intermediate level)

NOTE: 2. Philosophy D120 is also in the Math/Computer Science area of the Core.

NOTE: 3. Students who present evidence (by transcript) of college work equivalent to college calculus (Math D140, D141) reduce the number of core courses needed to meet the requirement to 10. One of these 10 courses may be a course beyond Math D141. This applies to current students as well as new students.

CORE AREA: FOREIGN LANGUAGES

NOTE: 1. All elementary and intermediate level foreign language courses satisfy core requirements. Students beginning language study at the elementary (101) level must complete the 102 level to have the courses count toward the core requirement.

NOTE: 2. Students who present evidence, through placement scores or transcripts, of intermediate proficiency (equivalent to the fourth semester of college work) may waive foreign language courses and reduce the number of core courses needed to meet the requirement to 10. One of these 10 courses may be in foreign language beyond the intermediate level. This applies to current students as well as new students.

NOTE: 3. Elementary level modern language courses meet for four class hours per week and also for one lab hour (4 cr). Classical languages meet for three class hours per week (3 cr).

(Continued on page 18)

# If this leaves you cold, check your pulse.

Gleaming under that low, sloping hood are the tuned runners and big silver air plenum of a new available 5.0 Liter Tuned-Port Fuel-Injected V8. Waiting to transform computer-metered injections of fuel and air into 215 horsepower.

You sit just feet away from that power and torque, bolstered in a bucket inside an aerodynamic envelope of curves, spoiler and front air dam. Connected to a suspension system ready to respond with mere twitches of the leather-wrapped steering wheel.

Ignite the fire called Camaro Z28. At your Chevrolet dealer's, financing or leasing one is as easy as saying GMAC.

GM Let's get it together... buckle up.

TODAY'S CHEVROLET

MAYBELLINE PRESENTS THE

# SHINE FREE™

## L O O K

Now you can free yourself from the shiny look of oily skin. Maybelline's Shine Free™ cosmetics contain special oil control ingredients to keep you looking shine free for hours and hours. Every Shine Free cosmetic…eye shadow, powder blush cover stick, translucent pressed powder and make-up—stays on without streaking or caking to leave you looking beautifully natural. After all, you were meant to be Shine Free!

Shine Free™ Oil Control Cosmetics from

# We train specialists from the ground, up.

It takes a lot of special people to keep the Air Guard in the air. And not all are at the controls of a Phantom Jet.

Most serve in vital support positions. Positions requiring the very highest level of expertise. So when you join the Air Guard, you're trained by the best in the business. By top professionals in avionics, munitions loading, environmental support, and Tactical Air Command and Control. You can also get expert training in hundreds of other areas essential in defending America's skies. Training which can be just as important in launching your civilian career.

So if you're a special person looking for a specialty, check out the Air National Guard. For information, mail the attached coupon. Or call toll-free 800-638-0936.*

*In Alaska, Hawaii, New Jersey, Puerto Rico, Guam and the U.S. Virgin Islands, consult your local directory.

**We Guard America's Skies.**

| Dual — Meet | Oct. 19 |
| at New England Championship | Oct. 26 |
| at ECAC Championship | Nov. 2 |
| NCAA DIV. III QUALIFIER | Nov. 9 |

**SPORTSPORTSPORTS**

# Unless you're listening to Panasonic Tri-phase™ car stereo speakers, you may not be hearing all of your music.

**Tri-phase speakers from Panasonic. They're really three speakers in one. So they deliver rich, accurate sound. Not just from the high and low frequencies. But also from the critical midrange.**

The ultimate test of a car stereo speaker is how effectively it creates a stereo "image": an accurate reproduction of the original live performance. Its depth. Dimension. And instrumentation.

Panasonic Tri-phase car stereo speakers have been engineered with this in mind. They contain not two sound elements but three. This three-way speaker design helps create a stereo image that is breathtaking in its definition and musical clarity.

Panasonic Tri-phase speakers have a powerful, high-energy magnet. This, coupled with the use of rugged materials and advanced technology, means these speakers are efficient.* And can handle the kind of power that today's music demands.

And you can have this high-energy music in almost any car. Because Panasonic car speakers fit many cars with simple "bolt-in" installation.

So if you would like to hear all your music, just listen to Panasonic Tri-phase car stereo speakers. They're at a dealer near you.

*1 Watt @ 1 meter = 94.5dB

**Panasonic®**
just slightly ahead of our time.

POW

THE·POWER·OF MUSIC™

They blast. They boom. Excite the ears and astound the senses. General Electric technology presents an exciting range of portable sound systems. Starting with giants like the incredible 3-6055 pictured here. Right on down to the small and mean 3-6025 with General Electric's own Electronic Tuning System (ETS™).

3-6025 Mini-Stereo with Electronic Tuning.

A REGISTERED TRADEMARK OF GENERAL ELECTRIC. © 1985

# VER.

3-6200 Mini-Stereo with dual cassette system.

There are dual cassette systems and personal stereos. Systems with great looks and unbelievable sound. Check out the GE Power of Music Series at your local GE dealer today.

**No one lets you experience the power of music like GE.**

# Before you buy a personal stereo, listen to this page.

**These little personal stereos from Panasonic put more between your ears. With sophisticated features like Dolby.* Auto Reverse. And our exclusive preset equalizers. So keep on listening.**

Panasonic has some great features your ears want to hear about. Like Auto Reverse. Lets you listen to both sides of the tape without flipping it over. Like Dolby Noise Reduction for more pure music with less tape noise. Even preset equalizers. They let you custom-tailor the sound to just your style.

There's a Panasonic personal stereo made just for you. And to find the exact model that fits your ears. And your lifestyle. Just listen to this page.

**Panasonic®**
just slightly ahead of our time.

RX-S35. Deluxe stereo cassette player with AM/FM stereo radio. Auto Reverse. Deluxe sound with Dolby and metal tape capability. LEDs tell when battery's weak and FM stereo's strong.

RX-1930. Stereo cassette player with AM/FM stereo. 3 preset equalizers. Lets you shape the sound of tape or radio to your style. LED indicators.

RQ-J7. Stereo cassette player. Auto Reverse lets you listen to both sides of the tape without flipping it over. And you'll flip over the low price.

RF-11. AM/FM stereo radio. 3 preset equalizers let you shape the sound to just your style. LED indicator shows when FM stereo is correctly tuned.

# SEMESTER IN SPAIN

Not just for Spanish majors only, but for everyone: beginners, "in between" students, and advanced. Put some excitement into your college career!!

BEGINNER OR ADVANCED — Cost is about the same as a semester in a U.S. college: $3,480. Price includes jet round trip to Seville from New York, room, board, and tuition complete. Government grants and loans may be applied towards our programs.

Live with a Spanish family, attend classes four hours a day, four days a week, four months. Earn 16 hrs. of credit (equivalent to 4 semesters taught in U.S. colleges over a two year time span). Your Spanish studies will be enhanced by opportunities not available in a U.S. classroom. Standardized tests show our students' language skills superior to students completing two year programs in U.S. Advanced courses also.

Hurry, it takes a lot of time to make all arrangements.

college you attend

PHIL 287 EQUALITY

# EXTENDED DAY PROGRAM

## Fall 1985

The Extended Day Program schedule which appears in the following pages is for the convenience of students whose responsibilities at work or at home make evening classes particularly convenient. The majority of Extended Day courses which begin at 6:00 p.m. (18:00 hours) meet once a week for two and one half hours, Monday through Thursday evenings. Some disciplines require that courses meet twice a week for one hour and fifteen minutes. These courses are usually offered from 6:00 to 7:15 p.m. or 7:30 to 8:45 p.m. on a Monday/Wednesday or a Tuesday/Thursday schedule.

### Programs Available in the Evening

Many of the University's more than sixty degree programs are represented by extended day courses. In some programs, students can complete all degree requirements through evening study alone — that is, by taking courses scheduled after 5:00 p.m. These programs are:

**Undergraduate**

Computer Science
Economics
English
History
Management
Political Science
Psychology
Sociology

**Graduate**

American Civilization
Bilingual/ESL Studies
Business Administration
Chemistry
Computer Science
Counselor Training
Human Services
Instructional Media
Public Affairs
Sociology
School Psychology
Special Education

### Advising for Evening Students

Registration for the fall semester will take place from Monday, April 22 through Friday, April 26. Evening students should take advantage of the additional academic advising times scheduled as follows:

Undergraduate Advising

COLLEGE OF ARTS AND SCIENCES

April 22-25, Monday through Thursday, 10:00-12:00 and 2:00-6:00; Friday, April 26, 10:00-12:00 and 2:00-4:00, McCormack Hall, 3rd Floor, Room 130.

COLLEGE OF MANAGEMENT

April 22-April 25, Monday through Thursday, 8:30 a.m.-7:00 p.m.; Friday, April 26 from 8:30 a.m.-5:00 p.m., McCormack Hall, 3rd Floor, Room 415 — Office of Student Services — Telephone - 929-8105.

INSTITUTE FOR LEARNING AND TEACHING

April 23, Tuesday, 4:00-6:30 p.m., Science Building, 3rd Floor, ILT Conference Room — Telephone - 929-8562.

SCHOOL OF NURSING

Advising for Registered Nurse students will take place in the School of Nursing, 2nd Floor, Science Building. Please call 929-8520 to schedule an appointment with Professor Judith Lewis.

### Advising for Graduate Programs

Matriculated graduate students should contact their graduate program directors for registration materials and advising. Continuing Graduate Special Students will pick up their forms in the Office of Graduate Admissions/Records, Administration Building, 2nd Floor, and consult with their graduate directors before handing in their forms.

# THE NEW RENAULT ENCORE GS

The entry requirements are relatively simple. The car must get you from point "B" to point "A" with a touch of style. European preferred. Performance a prerequisite. Enter Encore GS. The new 1.7-litre electronic fuel injected engine turns out 41% more horsepower and 32% more torque for '85. It's geared to a front wheel, 5-speed performance transaxle, supported by a 4-wheel independent suspension with MacPherson struts up front and twin coaxial torsion bars in the rear. Super wide steel belted 185HR x 14" radials for cornering enhancement and road holding concentration. And a finely tuned dual exhaust outlet leaves point "B" behind with **36** MPG HWY, **29** MPG CITY.* The Encore GS. *Built in America.* And designed to add an extra degree of performance to fulfill your automotive requirements.

# Superstar

## The new Canon T70 makes the great shots simple.

When N.H.L. superstar Wayne Gretzky shoots a goal, he does it so well he makes it look simple.

When Gretzky shoots pictures, he uses the superstar SLR—the incredible new Canon T70, with automatic features so advanced it makes the great shots simple.

The new T70 actually loads itself! A built-in power winder advances the film and rewinds, too. Electronic touch-buttons control all functions and a bright LCD display provides a full information readout.

You just focus-and-shoot with three programmed modes: standard program for most subjects, TELE for action and telephoto shots, WIDE for scenics and wide-angle shots. Shutter-priority mode lets you set speeds for total control over action, and the optional Canon Speedlite 277T provides fully automatic flash. So you can make really great shots without giving up automatic convenience.

The optional Command Back 70 adds even more incredible capabilities, and the entire line of over fifty Canon FD lenses can be used.

Get the superstar SLR. It makes the great shots simple.

A Master in Performing Arts! At your Renault dealer.

## SEMESTER IN SPAIN

Not just for Spanish majors but for everyone! Send coupon in this issue, today!

# A *NEW* STAR IS BORN

## Out of Radio Shack's Famed Model 100 Evolves the Advanced Technology Tandy 200

Our new Advanced Technology Tandy 200 portable computer does what no other computer could.

It takes our amazing Model 100 one step further.

### Get Much More Power

TANDY Radio Shack ADVANCED TECHNOLOGY SERIES ...AND AFFORDABLE TOO

A new 40-character by 16-line flip-up screen gives the Tandy 200 improved text and graphics. The 24K memory (expandable to 72K) is great for data storage and other big jobs, and the built-in Multiplan software makes the Tandy 200 a portable spreadsheet analysis tool.

Five other "instant-on" programs include an improved version of the Model 100 word processor, a telecommunications program, a personal calendar and a telephone and appointment file. You can even write your own programs in BASIC. And the Tandy 200's tone-dialing feature lets you use long-distance phone services.

### See It Today

Get a hands-on demonstration of the Tandy 200 (26-3860, $999) at any Radio Shack Computer Center or participating Radio Shack store or dealer.

**Radio Shack®**
**The Technology Store™**
A DIVISION OF TANDY CORPORATION

Prices apply at Radio Shack Computer Centers and at participating stores and dealers.

**Send Me a New 1985 Computer Catalog!**
Mail To: Radio Shack, Dept. 85-A-26, 300 One Tandy Center, Fort Worth, Texas 761

## Our new Bic for sensitive skin, or our regular Bic for normal skin.

It used to be a tough world for sensitive skin. But now Bic creates the first shaver to give sensitive skin the gentle, close shave it demands. And, of course, for normal skin there's the same great shave as ever. Let every man choose for himself. Or in the words of John McEnroe, "Gentlemen, pick your Bic."

# In the Air Force no idea is too far out.

Air Force officers are designing tomorrow's technology today. It takes imagination to dream new dreams and skills to bring those dreams to life.

If you're a scientist or engineer, or plan to be, the Air Force gives you a chance to push your skills to the limit and learn new ones. And while you're growing, you'll be helping your country grow stronger, too.

For more information, mail in the card or call toll-free at 1-800-423-USAF (in Calif. 1-800-232-USAF). Or send your resume to HRS/RSAANE, Randolph AFB, TX 78150. We're waiting for your ideas.

**AIM HIGH AIR FORCE**

Today, many people believe that a road car has to be expensive to be exciting. Fortunately for car lovers, the 1985 Pontiac Fiero and Firebird are two glorious exceptions.

Both feature the Tech IV 2.5 liter engine with electronic fuel injection. Five-speed manual gearbox. Remarkable aerodynamics. And both are very affordable.

Choose the highly acclaimed mid-engine Fiero and get quick rack and pinion steering, fully independent suspension, and 4-wheel disc brakes—all wrapped up in a unique Enduraflex™ outer skin that resists dents and never rusts.

Or choose Firebird's blend of sensational looks and serious hardware. Including power steering, MacPherson front struts, and torque arm/track bar rear suspension.

Either way, they're priced affordably. Fiero prices start at $8,495* (as shown, $8,809*). Firebird prices start at $8,849* (as shown, $9,682*). Fiero and Firebird. Only from Pontiac!

What price glory?
Less than
you might think.

# PONTIAC FIERO AND FIREBIRD
